

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ELIZABETH COX, as an individual and on
behalf of all others similarly situated,

Plaintiffs,

vs.

GRUMA CORPORATION,

Defendant.

Case No.: 12-06502-YGR

**ORDER REGARDING STIPULATION AND
PROPOSED ORDER REGARDING SCHEDULING
(DKT. No. 11)**

The Court has reviewed the parties' stipulation at Dkt. No. 11. The Court **DENIES** the request to schedule a hearing date on the pending motion for class certification but to otherwise suspend briefing. If Plaintiff seeks sufficient time for discovery to support a motion for class certification, Plaintiff shall withdraw the pending motion until she can prepare an adequate motion.

To the extent that Plaintiff still seeks to schedule a hearing date notwithstanding the anticipated motion to dismiss, the parties shall meet and confer to propose a briefing schedule and hearing date for class certification. The parties shall take into account: (i) the Defendant's anticipated motion to dismiss; (ii) the time needed for discovery; *and* (iii) providing the Court with *at least* three weeks to consider all briefs prior to the class certification hearing.

This Order terminates Dkt. No. 11.

IT IS SO ORDERED.

Dated: January 16, 2013
